

Justice Served?

- Each group will be evaluating the trial and its result from the perspective of a different character:
 - Group 1 ~ Scout
 - Group 2 ~ Dill
 - Group 3 ~ Jem
 - Group 4 ~ Atticus
 - Group 5 ~ Mayella Ewell
 - Group 6 ~ Tom Robinson
 - Group 7 ~ Calpurnia
 - Group 8 ~ Heck Tate

- “Step inside their character’s skin” and decide how he/she feels about the trial and whether or not justice has been served.

- After a consensus has been formed about how their character reacts to the trial, then the decide if the character feels if justice has been served because he/she has been influenced by societal corruption, or if that character hasn’t been influenced by societal corruption (innocence).
